

UC CPA Passers undergo 'Formal Training & Hands-On Exposure' to the Applications of the SAP* ECC 6.0 Software --- Used By U.S. Fortune 2000 Companies

Conglomerate Giants Coca Cola, Apple, Texas Instruments worldwide; and 87% of the U.S. Fortune 2000 Companies utilize the SAP* ERP Central Component (ECC) 6.0 Software in tracking, posting & managing their respective business processes; up & down the line of their extensive company operations. (SAP* or Systems Applications Products* commands 130,000 business customers worldwide. Source: www.sap.com. The SAP* ECC 6.0 version is the latest digital tool designed for large, global business entities.)

At UC, UC Accountancy Students (before they graduate) undergo & experience hands-on, --- the same SAP* ECC 6.0 software applications; --- simulating the same company business transactions; --- as executed by the professional employees of Coca Cola, Apple, TI & 87% of Fortune 2000 Companies.

UC CPA Passers are thus (SAP* ECC 6.0) "Applications-Ready" on Day One as professional CPAs; --- duly trained & "ready-to-deliver" the same work performance; --- the same task execution; --- as the professional staff of these companies worldwide & in PH.

The specific & precise business transactions that UC CPA Passers are capable of executing (applying the SAP* ECC 6.0 Software version) --- are duly itemized in the table:
