

## Four Golds for UC Accountancy Students

Members of the UC-JPIA Team with OIC-President Reynaldo Agranzamendez (1<sup>st</sup> from right), HRD Director Rane Ramos, Dean Ramsay Colorado, and JPIA Adviser Florendo Dauz (1<sup>st</sup> from left)

## 75% Passing Rate for UC in Engineering Board Exam

Three out of four UC Environmental and Sanitary Engineering graduates passed this year's Board Exams. Pedro E. Aquino, Jr., Lorna T. Aritao, and Tomtom B. Baldo attribute their success to the support, review resources, and academic caliber of the University's College of Engineering. The UC program is recognized by CHED as Center of

Development for Excellence, with all its faculty members possessing Master's degrees. One of its faculty members, Engr. Esther Aguilar completed her Master of Science in Environmental Science at UNESCO-IHE (Institute for H<sub>2</sub>O Education) in the Netherlands. No wonder UC has surpassed the national passing rate by almost 300%!

The University of the Cordilleras bagged four gold medals in the regional competitions sponsored by the NFJPIA Region 1 last Sept. 23-25, in San Fernando, La Union. The event was participated in by 14 schools from the Cordillera and Region 1.

Cherry Ann Sabawil was champion in Level 2 – Basic, Partnership and Corporation Accounting Quiz Bee, while Joselito Japson reigned supreme in Level 5 Practical Accounting II. The prestigious SGV Cup Level 1 Gold was claimed by Raymond Francis Escala, while Abigail Magno won 1st Place in the Poetry Writing. In addition, the team of Dexter Espiritu, Abigail Magno, and Aldriza Santiago emerged 1st runner up in the Regional Debate Open. They were coached by UC-JPIA Adviser, Mr. Florendo Dauz, Jr.

These medals come in the wake of the recent achievements of the College of Accountancy which has been the 5-time champion of the PICPA Accounting Quiz Bowl in Baguio-Benguet, under the mentoring of Dean Ramsay Colorado.
