

UC ranks 5th nationwide at the Inter Collegiate Finance Competition

UC is a Top 20 National Finalist at the JPMorgan-AIM-BangkoSentral sponsored 16th ICFC staged by FINEX

National ICFC Finals to be held at Bangko Sentral on October 20, 2014

UC scored 215 points to rank 5th among 90 Finance School Teams, which participated in the nationwide Inter Collegiate Finance Competitions, held in seven (7) regional eliminations. UC was the only Northern Luzon school ranked in the top ten national finalists; joining 5 schools from the National Capital Region; 2 schools from the Northern Mindanao Region; 1 school from the Central Visayas Region; and 1 school from the Central Luzon Region. Schools ranked 11th to 20th places were also deemed eligible to participate in the final competition.

The Inter Collegiate Finance Competition, a core project of the Financial Executives Institute of the Philippines (FINEX), seeks the following objectives: (1) To expose Philippine Colleges and Universities to world class finance education standards; (2) To serve as a bell-weather to ascertain quality and level of finance education nationwide; (3) To provide a forum for identifying and developing the nation's emerging financial elite; and (4) To promote exchange and cooperation among ICFC participants in networking, friendship and ideas.

This year's competitions, the 16th such activity staged by FINEX, drew the participation of 90 schools of collegiate finance from all regions nationwide. The annual ICFC has grown, evolved and expanded to draw the participation of global schools in finance, including those from Singapore, Thailand and Malaysia. The ICFC has thus, through its inception, established the reputation as the toughest and most prestigious academic competition in Finance.

The top three collegiate team winners of the national finals shall receive P100,000.00; P 60,000.00; P40,000.00 cash prizes respectively, from JPMorgan Chase & Co; and separate full scholarship grants in graduate finance programs respectively, from the Asian Institute of Management - JBF Center for Banking and Finance. The UC Team which scored 215 points at the North Luzon Regional Competitions on September 19, 2014, was composed of UC financial management undergraduate students: Brenda Carabacan, Karla Marina Rilloraza, Princess Cecile G. Andaya; & UC accountancy undergraduate students: Aries San Jose and Lyndon Castulo. UC now proceeds to the Top 20 competitions of the
